People in Liliput

King of Liliput

I said "Good-Bye" to my family.

I like adventure and I'm going to travel to other islands.

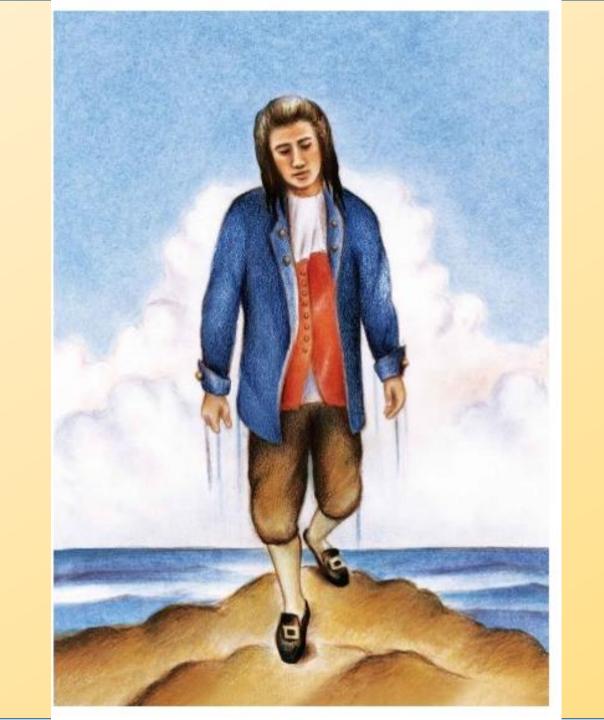

I want to buy spices.

Then, one night, a storm came up and the ship broke up and sank.

I began to swim.
It took a long time.

"Look at that! It's an island!"

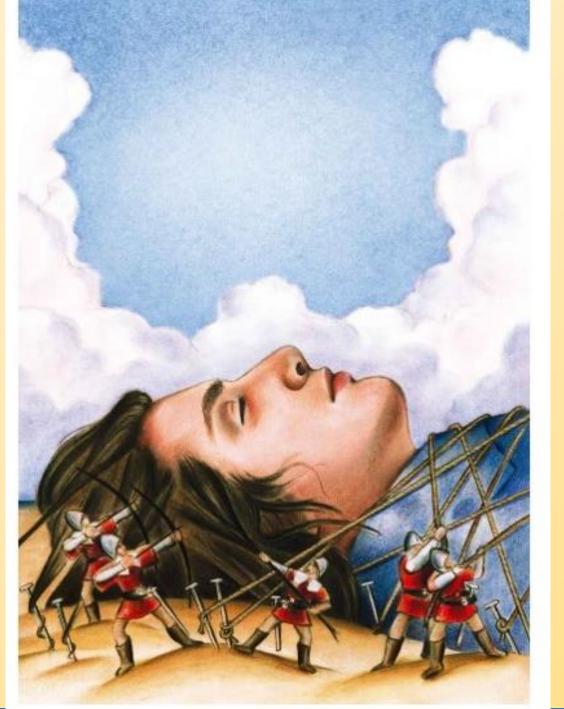

I was so tired and began to sleep on the beach soon.

I woke up.

"What' up!?"

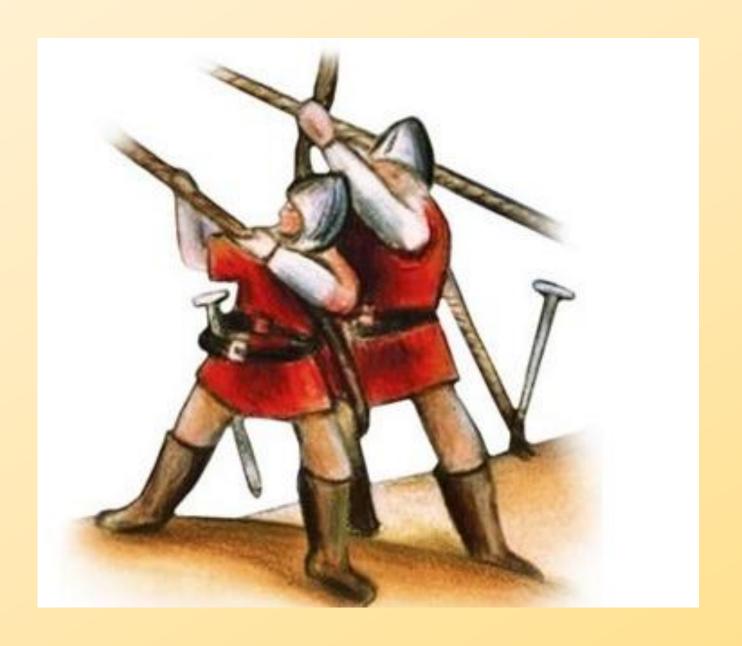

Little people began to shoot <u>arrows</u> at me.

People call the island Liliput.

People are so little.

They look like ants. 蟻(あり)

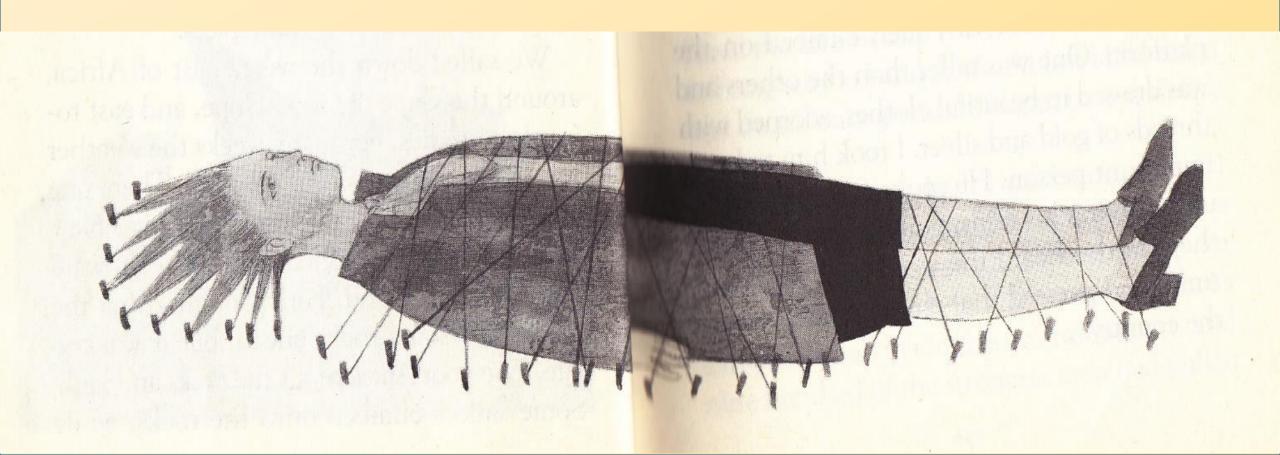

1 inch= 約2.5cm

They are only 6 inches tall.

They shouted, "What a big man!"

"I feel itchy but I can't move!"

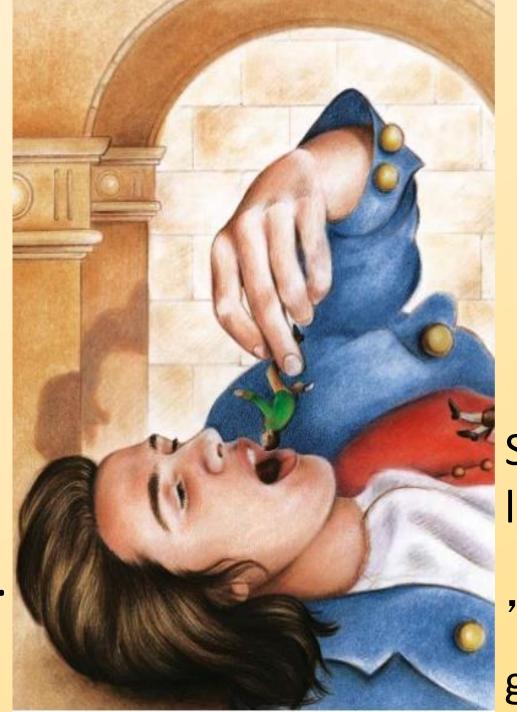

"Give me freedom, please."

Five men came to see me.

They tried to shoot me again.

I picked up a little man to my open mouth. But I <u>freed</u> him. (自由にする)

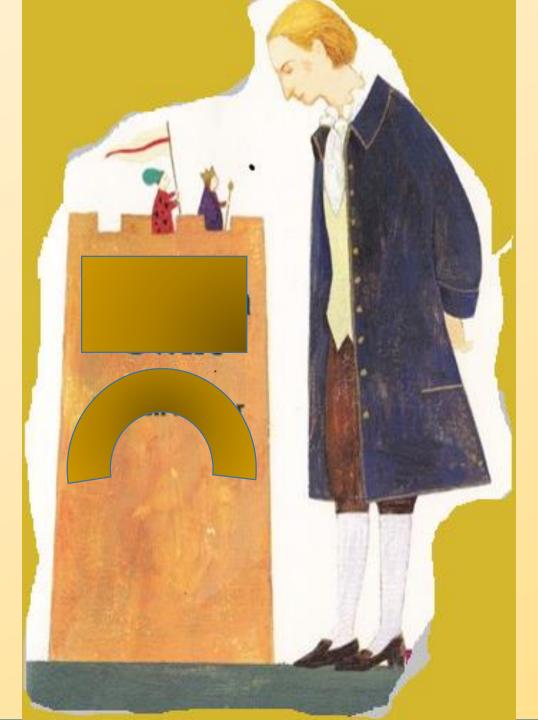

So people of Liliput liked me.

"Gulliver may be a good Giant."

"I am a king of Liliput."

"I will give you food and drink."

"But there are 8 promises."

"What are the promises?"

King and Gulliver spoked to each other in body languages.

There are 8 promises.

1 -you can walk on roads, but not corn field.

2 -Be careful not to pick up people in Liliput.

3- Carry the king's letter to other countries.

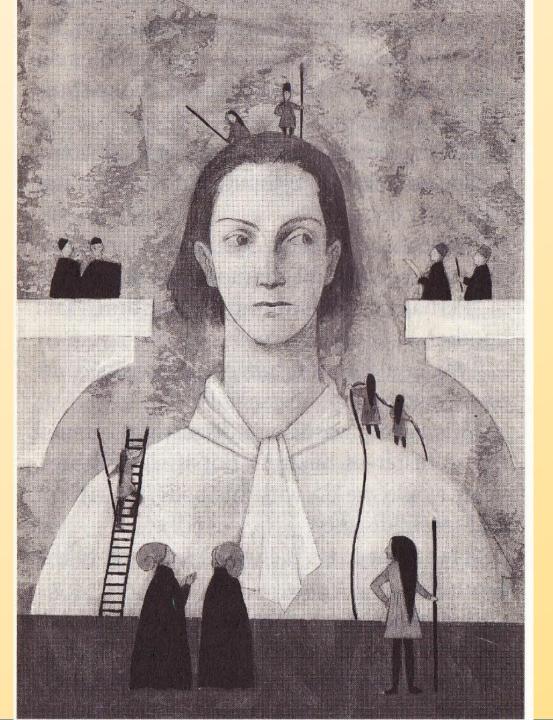

4 -Carry the large stones for royal building. ---etc.

Gulliver liked 8 promises.

Children dance and play hideand-seek in my long hair. Gulliver was happy.

> hide-and-seek (かくれんぼ)

600 servants looked after Gulliver.

My comb looks like a fence.

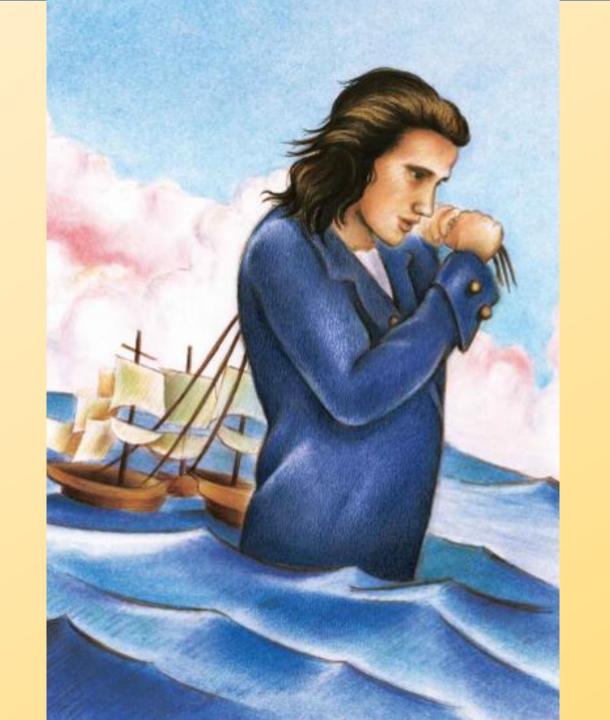

The king gave me a sheep.
But It looks like a ham.

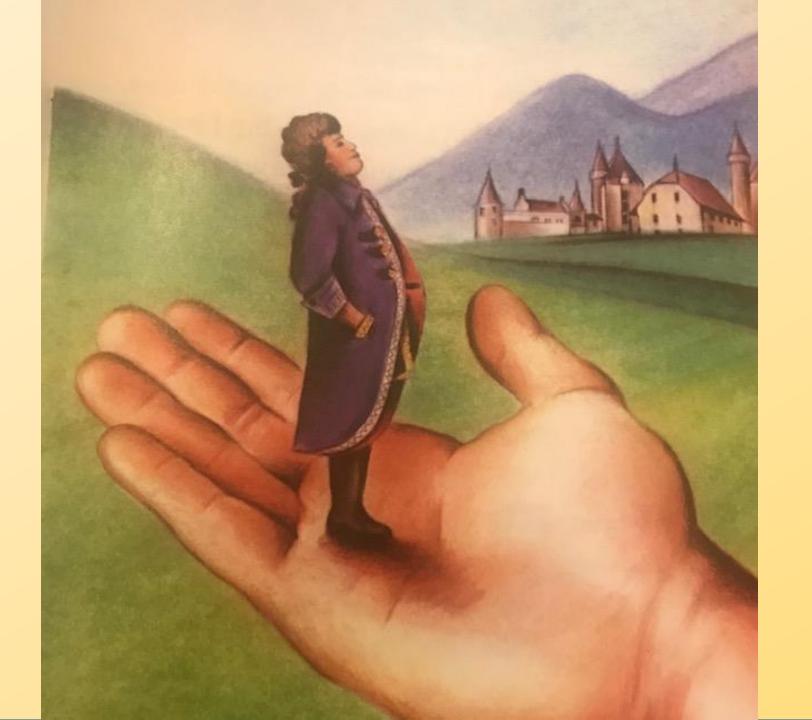

People liked Gulliver.
People in Liliput said,
"You are very kind."

Liliput and Blefuscu began to fight. I had a promise.

To help the king,
I pulled many ships
back to Liliput.

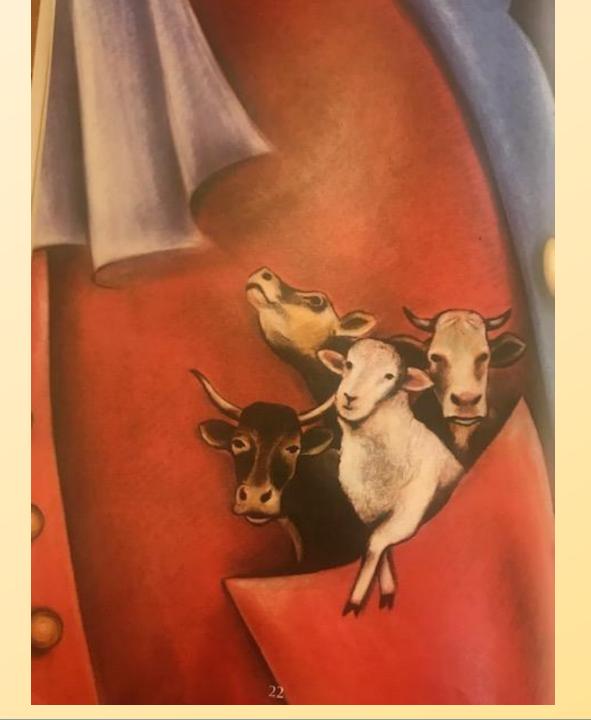

Now, I was hero in Liliput. But, some people in Liliput did not like me. They say I should be killed.

I did not want to be killed • • •.

```
Then,
I ran away to Blefuscu.
I asked people in Blefuscu to help me.
They gave me a boat.
```

I put some of the tiny cows and sheep in my pockets.

The king gave me small bags of gold.
Then I said goodbye.
